Scandic Hotel Julia is located at the center of Turku, a 20-minute walk from the Turku Railway Station (Logomo). The dress code is business casual. We will be walking as a group between locations, so it is recommended that you bring comfortable shoes.

SOCIAL MEDIA AND PHOTOS

The Foundation will be posting on social media during the seminar and using the hashtag #AmVoices2026. Feel free to pitch in with your posts and photos on social media!

We will take a group photo of all the grantees on Friday before the dinner. You will receive a link to the photos after the seminar in the follow-up email.

ARRIVAL

Those of you who will be traveling to Turku by train, please note that there are two train stops in Turku. To get near the city center, choose Turku (City Centre, Logomo).

When purchasing your travel tickets, please make sure that you have enough time to stop by the hotel to store your luggage before the program starts on Thursday/Friday.

If you will arrive on Friday, we recommend you purchase your travel ticket for a train/bus that will arrive in Turku at 9:45 in the morning at the latest.

Please note that unfortunately we cannot reimburse taxi or public transportation expenses.

NOTES

Please note that you will not be able to visit your hotel room during the day's program, so please prepare accordingly.

If you have questions about your arrival in Turku, please let us know.

The majority of the program below is together with the U.S. grantees, with a couple of sessions specific to Finnish Graduate Grantees only. This provides many opportunities to network with U.S. grantees and alumni representing a variety of fields and institutions. We recommend you take full advantage of all of these opportunities.

Events with optional participation are marked separately in the program.

THURSDAY, OCTOBER 8

This programming is optional but provides an excellent opportunity to meet and network with U.S. grantees and Foundation alumni.
