

Fulbright Visiting Scholar Program (incl. MCPD)

PRELIMINARY PROJECT BUDGET

This document is to be filled, signed and uploaded as part of your Fulbright online application.

Please estimate the expenses of your proposed project in USD. List all funding that is available for you to support your project in the United States. Additional funding sources may include sabbatical pay or other financial support from employer (after taxes), other grants, savings or other funding. Indicate whether this funding has already been secured. Give an estimated date when decision is expected for the funding applied for. You can also include supporting documents by downloading them with this document. Please carefully review guidance on cost of living on the program website.

Applicants with accompanying family members:

The Fulbright Grant can be awarded to cover the expenses of the grantee only. If family members accompany you to the United States, please explain how you plan to finance their travel and stay from other sources.
